WE ARE HIRING!

REMEDY
HEALTH CLINIC
ARE LOOKING
FOR NEW TEAM
MEMBERS.....

What we're looking for....

- Another fully qualified Osteopath(s) to join our growing team, in Reigate & East Grinstead - initially providing maternity cover, but will lead to a permanent position.
- We prefer a primarily structural approach, but you should be comfortable with a wide variety of other treatments.
- A Sports/Pitchside First Aid qualification is required (we can help you get this) for pitchside work with the rugby team.
- Keen interest in sports injuries and rehab, and excited to work with athletes. Willingness to actively promote yourself and the clinic, including attending local events.
- Reliable transport is essential, as our Reigate clinic is located outside the town, and you'll need to travel to local clubs and events.

What we offer

- Self-employed role with some flexibility in hours/times.
- 2 days per week per clinic, or for separate roles 2 days in East Grinstead, and 2-3 days in Reigate.
- Opportunity to work independently, but still benefit from regular mentoring and support.
- Commitment to your growth and development.
- Active participation in clinic life – we welcome your ideas and feedback.
- Scope to grow your role as we look to expand in Reigate and East Grinstead.

About us

We are a small but growing clinic, based in Reigate, Surrey & East Grinstead, West Sussex, involved with local sports clubs and looking for a great person to join us on our journey as we develop and evolve.

Our ethos

Empowering Clients to Get Back to What They Love – Pain-Free and Better Than Ever!

We are dedicated to helping individuals recover from injury & rediscover their passions. We believe that educating clients about their body & the reasons behind their clinic visit is critical.

We stay up-to-date on current treatments & research, recently investing in a Class IV laser to enhance our clients' recovery. Although we specialise in sports injuries, every individual who comes through our doors is equally important to us.
